WHITE WINE

ORTRUGO CANTINE BONELLI | *E. ROMAGNA '09*..... 9

100% Ortrugo grape has been cultivated solely in the Piacenza region of Italy since Roman times and very little is produced outside the region. The aroma is of wild flowers, its light and fresh to the palate with a slight effervescence (sparkling) this makes it extremely refreshing. Pleasant as an aperitif or enjoy with fish, antipasto misto or a cheese platter.

SAUVIGNON BLANC FREEMARK ABBY | *NAPA, CALIFORNIA '08*..... 10

Displays a brilliantly light greenish straw color with an inviting array of aromas including fresh melon, lemon, pineapple, and lychee nut, framed in a background of fresh-cut grass, and floral nuances. Flavors of citrus, melon, pineapple, mineral, and lemongrass are supported by good viscosity and a crisp finish.

RED WINE

GUTTURNIO MOLINELLI WINERY | *E. ROMAGNA '08*..... 11.5

Blend of Barbera and Bonarda grapes, bouquet of ripe black cherries, blackberries and plum, on the palate shows intense fruit character in medium body with good texture, soft tannins and notes of tobacco and spices.

SANGIOVESE BOCELLI | *TOSCANA '03*..... 12.5

From the personal estate of opera-singer Andrea Bocelli comes this classic Sangiovese, a wine which has been made on his family's vineyard for over 300 years. Aged in French oak, with aromas of tart cherry, sweet black-currant, and violets, very serious structure, body, and focused fruits.

VINO IN TAZZA
(WINE IN A BOWL)

IN THE OLD TAVERNS of northern Italy, especially around Piacenza, Mantova and Parma where the wines are exceptionally dark, it was tradition to drink local reds out of small white bowls. Wines like the Bonarda or the bubbly Lambrusco would leave dark red rings when swirled around the white bowls — a good sign of the wine's density and quality.
